

Objective

“To have a formal Health and Social Services Networking Partnership Initiative committee consisting of members from community organizations, the health and social services sector and the English-speaking community working together through cooperation and partnership to improve and maintain access to health and social services for the English-speaking population of the Côte-Nord Health / Region 09.”

A few accomplishments...

- Support to the regional health agency and the CSSSs in our territory;
- Wellness activities for seniors;
- “Stand Up and Be Counted” campaign;
- Assessments and reports on the needs of the North Shore English-speaking population;
- Delivery of CHEP videoconference sessions in Baie-Comeau and Sept-Îles;
- Community portrait of Sept-Îles, in collaboration with the INSPQ;
- Production of Community Health Guide: Resources for Seniors;
- Development of a knowledge base of the English-speaking communities on the North Shore;
- Intergenerational activities.

Working together for a healthier community.
