

# Experience the outdoors, fresh air and adventure

The North Shore is one of the most scenic and biodiverse regions of Quebec, with breathtaking trails bordered by the beautiful Boreal forest and the St. Lawrence river.

The painterly landscape allows for an exciting range of hobbies for lovers of adventure and the outdoors—hiking, boating, fishing, rock climbing, whale watching, snowmobiling, swimming, camping, and skiing.

The North Shore is a place of welcoming and exceptionally strong sense of community, where one can experience a uniquely vibrant lifestyle with rich cultural events such as concerts, theatre, restaurants and festivals.
